- ✚ Thank your sponsor (minor league only). Give them something at the end of the year to show your (our) appreciation. Card, etc.
- ✚ Schedules are available online; PDF versions are available for download, you can find them at the NRBC website. The website is <http://www.nrbaseballclub.org> If you would like to handout schedules to your parents, you can either make copies of the schedules in your coaching booklet or download the PDF version. We will also send out all schedules via e-mail. Not everyone has email however.

- ✚ We always want to improve our programs if possible. Contact any NRBC aboard member with suggestions or ideas. The coach pitch program is our main concern; do we make it more competitive? Keeping score, playing 10 players at a time, etc. Or do you feel the program is ok?
- ✚ If any changes to your roster need to be made, please notify one of the following board members immediately. (Jeff Miller, Rich Jirik, Rollie Buchman or Mike Weiss)
- ✚ Call your roster and let everyone know that you are their coach, if applicable set up your first practice. The NRBC will email out all rosters.
- ✚ Players and parents need to download, sign and turn in a player's code of conduct. (Traveling, Minors, Majors and Babe Ruth only). This form can be found at the Baseball Club website. The direct link is:
http://www.nrbaseballclub.org/uploads/Player_Code_of_Conduct.pdf
- ✚ Some teams have a TeamGuardian, use them to help with snack list (T-Ball and Coach Pitch only), handing out information, calling etc. They are listed on your roster and medical release forms.
- ✚ Make sure 2nd graders are ready for the minors program. If not, we need to move them down to the coach pitch program. Talk to the parents at your parent meeting, stress to them that if we feel the child's not ready, that for the child's safety we will move them down. Contact John Peterson and he will talk with the parents.
- ✚ Recommend to your players to attend our pitching clinic.
